**Sample CAAGS Name Badge**

Badges are available in grey plastic, 3" x 1 3/4" with the Society name and seal. Your name in up to three (3) lines can appear on the badge. We hope that members will purchase these badges and wear them to meetings so that we may get to know each other better. This is also a chance for those attending other conferences and conventions to proclaim pride in their society. The badges can also have dangles so that officers and volunteer can identify the parts they play in our society. These dangles will be on black plastic. The surnames you are researching will appear on grey plastic. This is a great opportunity to attract the notice of someone who just may turn out to be a cousin with all the information you are seeking.

Badges are \$10 each, and each bar is \$3. If you order the bars at the same time as the badge, they will come attached in the sequence specified on your order form. Additional bars may also be ordered separately and added later. There is a \$2 shipping and handling charge. **Please add California sales tax.**
